8. Pops of Color
9. Humor

Is there a better way to show your most special moments than to frame them and hang them right on that huge wall you don't know what to do with? Framed wedding photos add a personal touch to your home, and enable you to dreamily stare up and your most beautiful self and be reminded of your special day. After all, if you can't be a little self-important in your own home, what kind of world do we live in?! I used [Photos to Art](#) from Art.com to frame one of my favorite wedding moments (our first look!) and I get to enjoy it every day.
